

Register of Board Members' Interests.

Revision : 004 – 4th May, 2021

Under the Conflict of Interest Policy of Nadder Community Land Trust Ltd. (“NCLT”), Board Members are required to submit an annual declaration of “any organisations of which they are a member, or in which they hold a position of general control, management or influence”. This includes such bodies as:

- public authorities or other bodies with a public remit
- other companies, industrial and provident societies, charities or bodies directed to charitable purposes
- organisations whose principal purposes include the influence of public opinion or policy
- trade union(s) or professional associations
- any other organisation which might provide services to the Trust, or which has links with the Trust in other ways

It does not include “passive” memberships, including memberships of national bodies such as the National Trust, which could not be expected to give rise to any conflict of interest with the work of NCLT. Under the Conflict of Interest Policy, Board Members are also obliged to declare any potential conflict of interest relating to the business under discussion at NCLT meetings. Both types of declaration are recorded in this register.
